

# MAD Project Exam

Tuesday 5 May 2020 09:51 AM

## MAD Project Exam Details

★ **Tentative Dates**  
14th and 15th May 2020  
Each day have 2 slots

### Exam evaluation criteria

1. Lab continuous evaluation **20 Marks**
2. Presentation/Project Demo **30 Marks**
  - a. Project Report **5 Marks**
  - b. Presentation **5 Marks**
  - c. Demonstration **20 Marks**

## ★ Project Exam Rubrics

Criteria	Level 1	Level 2	Level 3
<b>Design &amp; Layout</b>	Less effort has taken in the designing of layout. Or Not used appropriate layout as per the requirement of Application. Or Navigation in the app is very poor.  <b>2 points</b>	Design is of mobile app is satisfactory few UI component can also be added for better layout design. Or Navigation is little complex, no proper flow and transition among the layouts.  <b>4 Points</b>	Design as per the requirement of application. Uses the required UI component wherever required. Navigation is proper.  <b>5 points</b>
<b>Data storage on server database</b>	Local data storage is used Or Server data storage is not working as per the need of application.  2 Points	Server storage is used, few operation is not working as per the requirement or not implemented. Or The data is stored but not retrieved as required.  4 Points	All the data is stored and retrieve properly.  5 Points
